

Zara's Colourful Character Description

Learning objective: To identify and use adjectives to describe the appearance and personality of a character.

Today, we are going to help Zara the zebra describe a new friend! Look at the boxes below and use your best describing words (adjectives) to tell us all about your character. Remember, an adjective is a word that tells us more about a noun, like 'fluffy', 'bright', or 'kind'.

Word bank: fluffy · shiny · kind · huge · tiny · bright · cheerful · soft · bumpy · fast

1. My character's name is: (Give your character a name)

2. What do they look like? (Use adjectives like 'spotted', 'fuzzy', or 'tall')

3. What is their personality like? (Are they 'silly', 'brave', or 'gentle'?)

4. What is one thing they love to do? (Example: They love to play with a shiny ball)

5. How do you feel about your character? (Example: I think they are very funny)

Draw: Draw a beautiful picture of your character in the box below. Make sure to show the special features you described using your adjectives!

Extension challenge: Can you find a partner and use your adjectives to describe your character to them without saying their name? See if your partner can guess who you are describing!
