

Year 2 English Assessment: Using Apostrophes

Learning objective: To demonstrate the ability to use apostrophes for contraction and possession.

Read each question carefully. Remember to use your neatest handwriting and check your spellings.

Max the monkey was busy in the garden. He found a shiny red apple near the tree. 'It is a lovely day,' said Max. 'I do not want to go home yet.' He spotted Pip the caterpillar resting on a leaf. 'That is Pip's leaf,' thought Max. He carefully walked around the leaf so he would not disturb his friend.
