

Celebrating Heroes: A Black History Month Colouring Page

Learning objective: To recognise the contributions of significant Black historical figures while developing fine motor skills through colouring.

Read the facts about these amazing people below. Colour in the picture of Ellie the Elephant and her friends learning about history. Then, label the items in the scene.

Colour this: A warm, inviting classroom scene. In the centre, Ellie the Elephant is sitting on a rug, holding a large open book that shows a silhouette of a nurse's cap and a star. Sitting next to her is Nova the Owl, who is pointing a wing towards the sky. The background features a simple bookshelf, a globe, and a blackboard with the words 'History Heroes' written in clear, block letters. There are simple outlines of stars scattered in the sky through a window. The lines should be thick and clear for Year 1 pupils to colour.

Steps:

1. Label the book that Ellie the Elephant is holding.
2. Label the stars shining in the sky above the history book.
