

Inspiring Journeys: Celebrating Black History

Learning objective: To identify and describe the contributions of significant Black historical figures, demonstrating an understanding of their impact on society.

Ellie the elephant has a wonderful memory for history, but she needs your help to match these historical figures with their remarkable achievements. Read the descriptions of their contributions, then draw a line or write the name of the person next to the correct achievement. Once matched, complete the sentences in the questions section to explain why their work was so important.
