

How to Write a Brilliant Book Review

Be a Book Critic! Share your thoughts and help others find their next favourite story.

- **Start with a hook! Share the title and author, and give a tiny hint about the story without spoiling the ending.**
- **Who are the main characters? Describe them using interesting adjectives to show what they are like.**
- **What was your favourite part of the book? Explain why it made you feel happy, excited, or surprised.**
- **What is your honest opinion? Use reasons to explain why someone else should read this book.**
- **Give it a star rating! Use one to five stars to show how much you enjoyed the book.**

Did you know? Did you know? Writing a book review is a great way to remember what you have read! By explaining why you liked or disliked a story, you help your friends decide if they would enjoy it too. It is like being a library guide for your classmates!
