

Crafting Character Descriptions

Learning objective: To use expanded noun phrases and precise adjectives to describe a character's appearance and personality.

Read each task carefully. Use the word bank to help you build descriptive sentences that paint a clear picture for the reader.

Character descriptions help readers imagine what a character looks like and how they act. By using expanded noun phrases (e.g., 'the fluffy, golden owl') and powerful adjectives, you can bring your character to life on the page.
