

A Cosy Christmas Story

Learning objective: To develop fine motor skills through colouring and to engage with the theme of sharing stories during the festive season.

Colour in the picture of Pip the caterpillar sharing a Christmas story. Once you have finished colouring, use your best handwriting to label the items in the scene.

Colour this: A large, friendly caterpillar named Pip wearing a tiny red Santa hat. Pip is sitting on a small wooden stool in a cosy living room. In front of Pip is an open book with large, simple illustrations of a star on the page. To the right, there is a small Christmas tree decorated with round baubles and a star on top. There is a warm fireplace in the background with two stockings hanging from the mantle. Use clean, bold outlines suitable for young children to colour within.

Steps:

1. Label the book that Pip is reading.
2. Label the tree with the shiny baubles.
