

# Year 5 English Assessment: The Easter Story and Traditions

*Learning objective: To demonstrate understanding of narrative structure, character perspective, and descriptive writing within the context of the Easter story.*

Read the text carefully and answer all questions in full sentences. Use your best handwriting and check your spelling and punctuation.

In the quiet garden, Pip the caterpillar watched as the world prepared for the spring festival. For many, this time represents a period of reflection and hope. The story of Easter is one of the oldest narratives, told through generations to explain the importance of courage, sacrifice, and new beginnings. Across the country, families gather to share meals, often involving hot cross buns marked with a cross, and exchange gifts that symbolise the arrival of spring. While the traditions vary from place to place, the core message remains the same: even after the longest winter, the sun will always return to warm the earth, and life begins anew.
