

Mastering Paragraphs: A Writer’s Guide

Learning objective: To understand how to organise writing into coherent paragraphs, using specific vocabulary to explain structural choices.

Key Vocabulary

Use this word mat to help you organise your writing. The terms are grouped by their purpose: Structure (how the text is built), Cohesion (how the text flows), and Content (what the paragraph contains).

Max the monkey ...	What is the purp...	Explain the differ...
Kit the fox is writ...	Which word from ...
