

Mastering Subordinate Clauses with Pip

Learning objective: To understand how to use and identify subordinate clauses to add detail and complexity to sentences.

Key Vocabulary

Use this word mat to help you construct complex sentences. The terms are grouped into 'Building Blocks' (types of clauses), 'Linking Words' (conjunctions), and 'Positioning' (where clauses go).

Pip says 'Because it was raining, I stayed ins...	Explain why a su...	Choose a subord...
True or False An embedded clause is place...	Add a subordinat... 'The lion roared loudly.'
