

# Max’s Verbal Reasoning Masterclass

Learning objective: To build a strong vocabulary and understand the core terminology required for Year 4 Verbal Reasoning exercises.

## Key Vocabulary

Use this word mat to help you solve logic puzzles and word challenges. The terms are grouped into 'Word Patterns', 'Logic & Relationships', and 'Problem-Solving' to help you spot connections between words quickly.

|                                                   |                        |                       |
