

Pip's Word Garden

Learning objective: To develop vocabulary by identifying and naming objects in a scene.

Colour in the picture below. Use your brightest colours to make the word garden bloom! Can you spot the words hidden in the petals?

Colour this: A large, friendly caterpillar named Pip wearing a tiny pair of glasses, sitting on a leaf. Surrounding Pip are five large, whimsical flowers. Inside the centre of each flower is a simple, bold word: 'Happy', 'Sunny', 'Big', 'Kind', and 'Fast'. Beside the flowers are a watering can and a small basket of books. The lines should be thick, clear, and easy for a young child to colour within.

Steps:

1. Label the caterpillar in your picture.
2. Label the flower that has a word written on it.
