Get active with language! Discover how to talk about your favourite sports in French.

- To say you enjoy a sport, start your sentence with 'J'aime le...' followed by your chosen sport.
- To say you do not enjoy a sport, use the phrase 'Je n'aime pas le...' before the activity.
- Remember that 'le' is used for masculine sports like 'le judo' and 'la' is used for feminine sports like 'la natation'.
- You can ask a friend 'Tu aimes le sport?' to find out if they enjoy physical activity.
- When speaking French, try to use an enthusiastic tone to show your passion for your favourite game!
