

Celebrating Remarkable People: Mary Seacole

Learning objective: To learn about a significant individual from history and recognise their contribution to helping others.

Read the facts about Mary Seacole with an adult. Colour the picture of Mary Seacole and her 'British Hotel'. Think about how she showed kindness to others.

Colour this: A warm, clear line-art drawing of Mary Seacole standing outside a simple, sturdy-looking wooden building with a sign that says 'British Hotel'. Mary is wearing a kind expression, a traditional Victorian-style dress with a patterned headwrap. She is holding a small medical bag in one hand. Beside her, Ellie the Elephant is standing, also wearing a small nurse's cap to show she is helping. In the background, there is a gentle sun, a few fluffy clouds, and some simple flowers growing in the grass.

Steps:

1. Label the bag of medicine that Mary is holding.
2. Label the building where Mary helped the soldiers.
