

Remembrance Day with Ellie the Elephant

Learning objective: To introduce the concept of Remembrance Day and the significance of the poppy as a symbol of peace and reflection.

Colour in the picture and learn about why we wear poppies. Talk to your teacher or parent about how we remember people who helped keep us safe.

Colour this: A large, friendly elephant named Ellie standing in a peaceful garden. Ellie has a kind, gentle expression. In her trunk, she is holding a single, large, clear-lined poppy flower. Beside her is a small patch of grass with two more poppies growing. The background is simple, with a soft sun in the corner and a few fluffy clouds. The lines should be thick and clear for easy colouring.

Steps:

1. Label the poppy flower in your picture.
2. What colour is the poppy?
