

Kit's Digital Detective Challenge

Learning objective: To understand how to stay safe, respectful, and responsible when using the internet.

Read each question carefully and circle the best answer. Remember, being a responsible digital citizen is just as important as being a clever one!

Answer Key: 1.C, 2.True, 3.False, 4.B, 5.Password, 6.True, 7.A, 8.False, 9.True, 10.B. Remember to talk to a trusted adult if anything online makes you feel worried or confused.

Word bank: Password · Cyberbullying · Personal information · Privacy settings · Trusted adult

1. 1. Kit the fox is setting up a new account. Which of these is safe to share online? A) Your home address, B) Your full school name, C) Your favourite type of book, D) Your private password. (1 mark)

2. 2. True or False: You should never share your password with anyone, even your best friend. (1 mark)

3. 3. True or False: If someone is being mean to you in a game, it is best to reply with a mean message back. (1 mark)

4. 4. What should you do if you see something online that makes you feel uncomfortable? A) Keep it a secret, B) Tell a trusted adult immediately, C) Click on it to see what happens, D) Share it with your friends. (1 mark)

5. 5. What is the word for a secret code made of letters, numbers, and symbols used to keep your accounts safe? (1 mark)

6. 6. True or False: Not everything you read on the internet is true. (1 mark)

7. 7. Why are privacy settings important? A) They help control who can see your profile and posts, B) They make your computer run faster, C) They let you play games for free, D) They delete your internet history. (1 mark)

8. 8. True or False: It is perfectly fine to meet up with someone you only know from an online chat room. (1 mark)

9. 9. True or False: You should think before you post, because once something is online, it can be hard to remove. (1 mark)

10. 10. Which of these is an example of personal information? A) Your favourite colour, B) Your home phone number, C) Your favourite food, D) Your favourite animal. (1 mark)

Draw: Draw a 'Digital Shield' that protects a computer or tablet. Inside the shield, draw three rules you think everyone should follow to stay safe online.

Extension challenge: Imagine Kit the fox has found a suspicious message online. Write a short script (no more than 100 words) showing how Kit explains the situation to a trusted adult and what advice the adult gives back.
