

Pip's Christmas Kindness Trail

Learning objective: To understand that Christmas is a time of celebration and giving for many people, and to recognise acts of kindness.

Pip the caterpillar is getting ready for Christmas. He wants to fill his home with acts of kindness. Read the list of activities below and draw a line to match each action to whether it is a 'Kind Gift' or a 'Celebration Activity'. Once you have matched them, colour in the star next to the actions that involve sharing with others.

Word bank: Giving a card · Singing a song · Sharing a toy · Eating a meal · Helping a friend

1. 1. If you had £2 to buy a small gift for a friend, what would you choose and why? (2 marks)

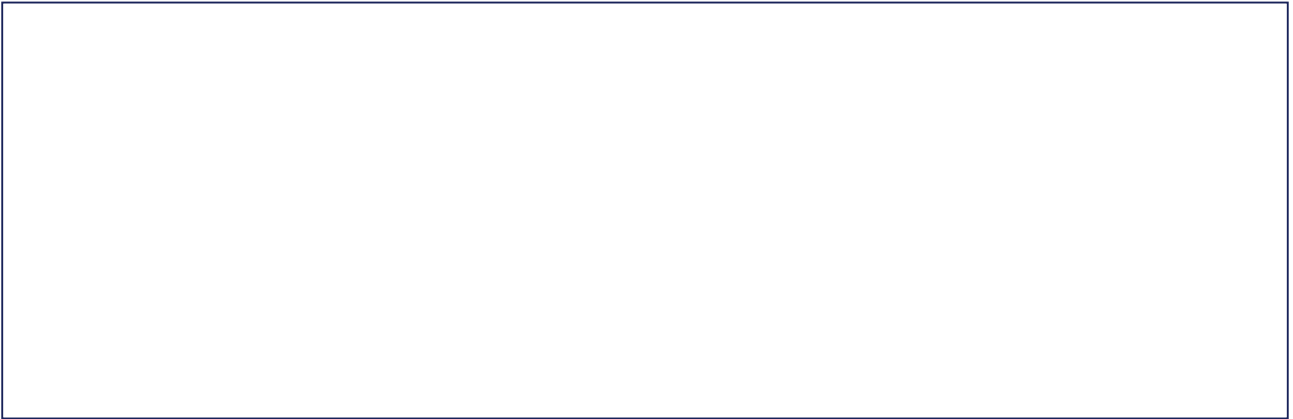

2. 2. Why do you think it makes people feel happy to receive a gift at Christmas? (2 marks)

3. 3. Can you name one way you can be kind to your family during the Christmas holiday? (2 marks)

4. 4. Is it better to give a gift or receive a gift? Why do you think that? (2 marks)

5. 5. What is your favourite way to celebrate with your family or friends? (2 marks)

Draw: Draw a picture of Pip the caterpillar sharing a Christmas treat with his friends in the forest.

Extension challenge: Ask an adult to help you write a 'Kindness Promise' on a paper star. This could be something like 'I promise to help clear the table' or 'I promise to share my blocks'. Hang your star on a tree or a wall to remind you of your goal.
