Making Kind Choices with Leo the Lion

Learning objective: To understand the importance of kindness and making good moral choices in our daily lives.

Look at the scene below. Think about how Leo the Lion can be a good friend. Draw what happens next to show kindness, then answer the questions to share your thoughts.

Draw: Draw a large, friendly Lion named Leo standing next to a friend who has dropped a basket of apples. Ensure the style is simple, warm, and inviting with bright, cheerful colours. Leave a large empty space for the child to draw Leo reaching out to help pick up the apples. Include a small, sunny meadow background with flowers.
