

Rosa's Weekly Diary: Los Días de la Semana

Learning objective: To recall and sequence the days of the week in Spanish and understand their order.

Rosa the parrot has been keeping a busy diary of her travels, but her notes have got all muddled up! Help her organise her week. Below is a list of Rosa's activities. Write the correct Spanish day of the week next to each activity based on the sequence provided in the clues. Remember: in Spanish, the days of the week are not written with a capital letter unless they start a sentence.

Word bank: lunes · martes · miércoles · jueves · viernes · sábado · domingo
