

Rosa's Spanish Transport Flashcards

Learning objective: To learn and recall Spanish vocabulary for different modes of transport as part of the Year 4 MFL curriculum.

Rosa the parrot wants to travel the world! Practise these flashcards to learn how to name different types of transport in Spanish. Use the front of the card to test yourself, then check the back to see if you are correct.

El coche	El autobús
The car	The bus
El tren	El avión
The train	The aeroplane
El barco	La bicicleta
The boat	The bicycle
La moto	El metro
The motorbike	The underground/tube
El helicóptero	El camión
The helicopter	The lorry
How would you say 'I travel by train' in Spanish?	What is the Spanish word for 'the bicycle'?
Viajo en tren	La bicicleta
