

Celebrating Black History Month with Ellie the Elephant

Celebrate our stories, honour our history, and build a bright future together!

- Black History Month is a time to remember and celebrate the amazing things Black people have done throughout history.
- Ellie the Elephant knows that everyone has a unique story to tell, and listening to these stories helps us understand each other better.
- Many people have worked hard to change laws and help their communities, showing great courage and kindness.
- We celebrate brilliant inventors, writers, artists, and leaders who have helped shape the world we live in today.
- Learning about history reminds us that we can all make a positive difference in our own schools and neighbourhoods.
- By celebrating together, we show that kindness and respect are the most important parts of our community.

Did you know? Did you know? Black History Month is celebrated in the UK every October! It is a special time to share stories about people who have made our world a better, kinder, and fairer place through their hard work and bravery.

Key vocabulary: History · Achievement · Courage · Community · Contribution · Inspiration
