

A Cosy Christmas Celebration

Learning objective: To develop descriptive vocabulary and labelling skills through a festive creative activity.

Colour in the picture of Pip the caterpillar and his friends celebrating their Christmas party. Once you have finished, use the labels to point to three different items in your scene.

Colour this: A warm, festive living room scene. In the centre, there is a large, thick-needed Christmas tree with simple baubles and a star on top. Pip the caterpillar is wearing a tiny Santa hat and is holding a small gift wrapped in paper with a bow. To the side, there is a small table with a plate of mince pies and a sprig of holly with berries. The background shows a fireplace with a stocking hanging from the mantelpiece. Use thick, clear outlines suitable for colouring.

Steps:

1. Label the festive plant with red berries in your picture.
2. Label the present with a bow in your picture.

3. Label the star at the very top of the tree.
