

Class 5 English Assessment: Creative Writing and Descriptive Techniques

Learning objective: To demonstrate the ability to use expanded noun phrases, figurative language, and varied sentence structure to create atmosphere in descriptive writing.

Read the passage carefully and answer the questions below. Ensure you use full sentences where required and check your spelling and punctuation.

Nova the owl perched silently on the silver-barked birch tree, her amber eyes scanning the forest floor. Below, the ancient woodland was a velvet blanket of shadows. The wind whispered secrets through the gnarled branches, and the moonlight danced across the mossy stones like liquid silver. Everything was still, waiting for the night to truly begin.

Word bank: atmosphere · metaphor · personification · alliteration · adverbial · expanded noun phrase

1. Identify one example of personification from the passage and explain why it is effective. (2 marks)
