

Pip's Magnificent Word Garden

Learning objective: To identify and use exciting adjectives to describe objects and settings.

Colour in Pip the caterpillar and their garden. Think of an exciting adjective to describe each item you label.

Colour this: A friendly, cheerful caterpillar named Pip with large eyes and a smile, sitting on a large, vibrant flower petal. Pip is wearing a small backpack filled with scrolls of paper. Next to Pip is a large leaf with a small nibble taken out of the edge. The background features a simple garden scene with a bright sun in the top corner, a few fluffy clouds, and some tall blades of grass. Use bold, clear outlines suitable for colouring.

Steps:

1. Label the flower Pip is sitting on with an adjective (e.g. bright, colourful, tall).
2. Label the leaf Pip is eating with an adjective (e.g. crunchy, green, wiggly).
