

Celebrate World Book Day with Pip!

Grab your favourite book and join the adventure!

- World Book Day is a special time to celebrate our favourite stories and authors.
- When we read, we can travel to magical places without even leaving our chairs.
- You can use your £1 book token to choose a brand new story to keep.
- Reading helps us learn new words and understand how other people feel.
- Pip the caterpillar loves to find a cosy corner to read a book every single day.

Did you know? Did you know? World Book Day happens all over the world to help children discover the magic of books. Pip the caterpillar has read over one hundred books and says the best stories are the ones you share with friends!

Key vocabulary: story · character · adventure · reading · imagination · library
