

## Rosa's French Animal Adventure

*Learning objective: To identify and recall the French names for common animals and practice using the indefinite articles 'un' (masculine) and 'une' (feminine).*

Print these cards double-sided. Rosa the parrot wants you to learn these animal names! Look at the French word on the front, try to remember the English translation, and then check the answer on the back.

|                                                  |                                                    |
|--------------------------------------------------|----------------------------------------------------|
| <b>Un chien</b>                                  | <b>Un chat</b>                                     |
| A dog                                            | A cat                                              |
| <b>Un oiseau</b>                                 | <b>Une souris</b>                                  |
| A bird                                           | A mouse                                            |
| <b>Un lapin</b>                                  | <b>Un cheval</b>                                   |
| A rabbit                                         | A horse                                            |
| <b>Une vache</b>                                 | <b>Un serpent</b>                                  |
| A cow                                            | A snake                                            |
| <b>Un éléphant</b>                               | <b>Un lion</b>                                     |
| An elephant                                      | A lion                                             |
| <b>Quelle est la traduction de 'un poisson'?</b> | <b>Quelle est la traduction de 'une araignée'?</b> |
| A fish                                           | A spider                                           |
