

Rosa's Hobbies Drawing Challenge

Learning objective: To identify and use French vocabulary related to hobbies and pastimes.

Help Rosa the parrot create a visual diary of her friends' favourite hobbies. Read the French phrases in the word bank and draw a scene for each one. Once you have finished your drawings, label them using the correct French terms from the list below.

Draw: Create a grid layout with six distinct squares on the page. Each square should be large enough for a detailed illustration. The art style should be clean, colourful, and fun, similar to a storyboard. Include space beneath each drawing for the labels provided in the word bank. Ensure the scenes are diverse, showing movement for the active hobbies and calm settings for the indoor ones.

Label words: jouer au football · lire un livre · jouer de la guitare · faire de la natation · dessiner · écouter de la musique

Steps:

1. Step 1: Draw a scene in the top left box showing someone 'jouer au football'. Label your drawing.
2. Step 2: In the top right box, draw a scene representing 'lire un livre'. Label your drawing.
3. Step 3: Draw a scene for 'faire de la natation' in the middle section. Label your drawing.
4. Step 4: Draw yourself doing your favourite hobby in the bottom section and write the matching French

phrase from the word bank underneath.

5. Step 5: Which hobby from the list do you find the most relaxing? Write your answer in French (e.g., 'Je préfère...').
