

Rosa's School Diary: Mon École

Learning objective: To use French vocabulary related to school subjects and opinions to describe a typical day.

Rosa the parrot is learning to talk about her favourite school subjects in French. Use the word bank to help you complete your own 'Mon École' (My School) diary entry. Write your answers in French, using full sentences where possible to show off your grammar skills.

Word bank: J'aime (I like) · Je n'aime pas (I do not like) · les maths (maths) · l'anglais (English) · le dessin (art) · le sport (PE) · la géographie (geography) · parce que c'est... (because it is...) · amusant (fun) · difficile (difficult) · facile (easy) · ennuyeux (boring)

1. Quelle est ta matière préférée et pourquoi ? (Which is your favourite subject and why?) (2 marks)

2. Quelle matière trouves-tu difficile ? Justifie ta réponse. (Which subject do you find difficult? Justify your answer.) (2 marks)

3. Compare les maths et le dessin. Lequel préfères-tu et pourquoi ? (Compare maths and art. Which do you prefer and why?) (3 marks)

4. Si tu pouvais inventer une nouvelle matière scolaire, laquelle serait-ce ? Décris-la en français. (If you could invent a new school subject, what would it be? Describe it in French.) (3 marks)

5. Explique pourquoi il est important d'étudier différentes matières à l'école. (Explain why it is important to study different subjects at school.) (4 marks)

6. Que se passerait-il si nous n'avions pas de leçons de sport à l'école ? (What might happen if we did not have PE lessons at school?) (4 marks)

Extension challenge: Imagine you are interviewing a French student about their school day. Write three complex questions you would ask them, using your knowledge of 'est-ce que' or inverted question structures.
