

Rosa's Sports Adventure: Les Sports en Français

Learning objective: To identify and use common French vocabulary for sports and express likes and dislikes using 'j'aime' and 'je n'aime pas'.

Read the passage about Rosa the parrot's active week. Use the word bank to help you answer the questions. For the greater depth section, justify your answers using your knowledge of French sentence structures.

Bonjour ! I am Rosa. This week, I have been very busy trying new activities. On Monday, I went to the park for le cyclisme. It is very fast! On Tuesday, I tried la natation in the lake; it was cool and refreshing. On Wednesday, my friends and I played le football. I am quite good at it! However, I tried la danse on Thursday, but I decided that je n'aime pas la danse. I much prefer le tennis, which I played on Friday. It is my favourite sport because it is very exciting.
