

Rosa's Sports Day Drawing Challenge

Learning objective: To identify and use French vocabulary related to sports and physical activities.

Help Rosa the parrot prepare for the school sports day! Follow the drawing prompts below to create your scene, then use the word bank to label your sports equipment and activities in French.

Draw: Create a vibrant scene of a 'Journée de Sport' (Sports Day). In the centre, draw Rosa the parrot wearing a colourful whistle around her neck. Around her, create four distinct zones: a patch of grass for football, a blue area for a swimming pool, a court with a net for tennis, and a track for cycling. Ensure the drawing is neat and clear so that labels can be added to each section.

Label words: le football · le tennis · la natation · le basket · le vélo · la danse

Steps:

1. Draw a small football on the grass and label it with the correct French term from the word bank.
2. Draw someone swimming in a pool and label the activity in French.
3. Draw a bicycle leaning against a tree and label it in French.
4. If Rosa wants to play a game with a racket and a net, which sport from the word bank should she choose? Write the French word.
5. Translate the sentence 'I like football' into French using the structure 'J'aime...' and the word bank.
