

Finn's Global Expedition: Continents and Oceans Quiz

Learning objective: To identify and name the world's seven continents and five oceans, understanding their relative locations and key features.

Join Finn the dolphin on his world map adventure! Answer the following 10 questions to test your geographical knowledge. Read each question carefully before selecting your answer.

Answer Key: 1. C (Asia), 2. False, 3. Atlantic, 4. B (Antarctica), 5. True, 6. Pacific, 7. 7, 8. False, 9. Arctic, 10. A (Oceania).

Word bank: Pacific · Atlantic · Arctic · Indian · Southern · Asia · Africa · North America · South America · Antarctica · Europe · Oceania

1. 1. Which is the largest continent on Earth? A) Africa, B) Europe, C) Asia*, D) South America (1 mark)

2. 2. True or False: The UK is located on the continent of North America. (1 mark)

3. 3. Which ocean lies between the Americas to the west and Europe and Africa to the east? (1 mark)

4. 4. Which continent is located entirely in the Southern Hemisphere and is known for its icy climate? A) Africa, B) Antarctica*, C) Asia, D) Europe (1 mark)

5. 5. True or False: There are five oceans in total on our planet. (1 mark)

6. 6. Which ocean is the deepest and largest in the world? (1 mark)

7. 7. How many continents are there in total? (1 mark)

8. 8. True or False: The Indian Ocean is the smallest ocean in the world. (1 mark)

9. 9. Which ocean is located around the North Pole? (1 mark)

10. 10. Which continent is also a country and is surrounded by the Pacific and Indian Oceans? A) Oceania*, B) Africa, C) Europe, D) South America (1 mark)

Draw: Draw a map of the world. Clearly label all seven continents and use a blue pencil to shade the five oceans. Add a small drawing of Finn the dolphin swimming in the Pacific Ocean.

Extension challenge: 1. Explain why the Southern Ocean is sometimes excluded from older maps. 2. Compare and contrast the climate of Antarctica with the climate of Africa. 3. Justify your answer: Why is it important for sailors to understand ocean currents? 4. What might happen if the Arctic ice caps melted completely? 5. Research and describe one unique geographical feature found in South America. 6. If you were planning a global trip, which continent would you visit first and why? 7. Create a mnemonic device to help your classmates remember the names of the seven continents.
