

Celebrating Heroes: Ellie's Social Studies / History Lesson

Learning objective: To recognise that people from diverse backgrounds have made important contributions to history and to celebrate their achievements.

Colour in the picture of Ellie the Elephant as she learns about inspiring historical figures. Read the facts together and talk about why these people are important.

Colour this: A large, friendly elephant named Ellie wearing a small scarf, sitting on a rug in a cosy library. Ellie is holding a large, open storybook with her trunk. Next to her, a small, curious owl named Nova is perched on a bookshelf looking at a picture of a shining star. On the wall behind them, there are framed portraits of diverse, smiling historical figures. The scene should have clean, bold outlines suitable for colouring, with plenty of space for children to add their own patterns and colours.

Steps:

1. Label the book that Ellie is holding.
2. Label the star that Nova the owl is pointing to in the picture.
