

Ellie's Social Studies / History Lesson: The Lady with the Lamp

Learning objective: To introduce the life of Florence Nightingale and understand her role in helping others in history.

Colour in the picture of Florence Nightingale. Read the fun facts with your teacher or grown-up, then label the items in the picture.

Colour this: A friendly, simple line-art illustration of Florence Nightingale standing in a clean, quiet hospital room. She is wearing a long Victorian-style nurse's dress and a traditional nurse's cap. She is holding a classic, old-fashioned oil lantern with a warm glow. Beside her, our character Ellie the Elephant is wearing a small nurse's apron and smiling kindly. The background shows a simple bed with a neatly folded blanket. Use clear, bold outlines suitable for young children to colour within.

Steps:

1. Label the lantern that Florence is holding.
2. Label the nurse's hat.
