

Nova's Moon Adventure: Meeting Neil Armstrong

Learning objective: To learn about the first person to walk on the Moon and understand that this is a significant event from the past.

Colour in the picture of Nova the owl and her hero, Neil Armstrong. Practise writing the words in the boxes provided.

Colour this: A large, friendly illustration featuring Nova the barn owl wearing a tiny astronaut helmet, standing next to Neil Armstrong who is wearing a detailed space suit. They are standing on the grey, cratered surface of the Moon. In the background, a large, rounded Earth hangs in the starry black sky. Nearby, a rocket ship with bold stripes is landing. Use thick, clear outlines suitable for children aged 3-5 to colour in.

Steps:

1. Label the Moon in your picture.
2. Label the rocket ship in your picture.
