

Easter Time with Pip and Friends

Learning objective: To explore the symbols of Easter and express understanding through artistic representation.

Follow the steps below to draw your own Easter scene. Use the word bank to help you label your picture.

Draw: Create a bright, spring-themed scene on a landscape piece of paper. In the centre, draw a woven basket. Fill the basket with oval-shaped eggs decorated with patterns like stripes or spots. Beside the basket, draw a small, round, fluffy chick. In the background, draw a bright sun and one or two spring flowers with green stems. Use bold, cheerful colours to make the scene feel like a sunny spring morning.

Label words: egg · basket · flower · chick · sun

Steps:

1. Step 1: Draw a large basket in the middle of your page for Pip the caterpillar to carry his treats.
2. Step 2: Draw three colourful eggs inside the basket. What colours will you choose?
3. Step 3: Draw a fluffy yellow chick standing next to the basket.
4. Step 4: Draw a spring flower, like a daffodil, growing near the basket.
5. Step 5: Label your drawing using at least three words from the word bank.
