

Celebrating Together: A Festival Scene

Learning objective: To recognise and talk about festivals and celebrations within different communities.

Colour in the picture of Pip and Zara celebrating a festival. Talk with your teacher or grown-up about what makes a celebration special for you.

Colour this: A large, friendly scene featuring Pip the caterpillar and Zara the zebra standing in a garden decorated for a festival. In the centre, there is a table with a bowl of fruit and a plate of treats. Above them, string lights and colourful paper lanterns hang from a tree branch. Pip is holding a small, glowing star-shaped lantern. Zara is wearing a colourful patterned scarf and is holding a musical tambourine. The background features simple outlines of flowers and bunting hanging between two garden posts. The lines should be bold and clear for colouring.

Steps:

1. Label the lantern in your picture.
2. Label the character who is a zebra.
