

A Bright Hanukkah Celebration

Learning objective: To understand that Hanukkah is a festival of light celebrated by Jewish families.

Colour in the Hanukkah scene below. Use your brightest colours for the candles and the flames!

Colour this: A warm, inviting living room scene. In the centre, sitting on a sturdy wooden table, is a large, ornate menorah with eight candle holders in a row and one slightly higher in the middle. Beside the menorah, our friend Pip the caterpillar is wearing a small, festive paper kippah and smiling. There are simple, bold outlines of potato latkes on a plate next to Pip. In the background, there is a window showing a starry night sky, with Nova the owl perched on the windowsill looking in. The lines should be thick and clear for easy colouring.

Steps:

1. Label the menorah in your picture.
2. Label one of the candle flames.
