Celebrating Shabbat with Ellie

Learning objective: To recognise and talk about the Jewish celebration of Shabbat.

Colour in the picture and learn about the special things Jewish families do to welcome Shabbat.

Colour this: A warm, inviting scene featuring Ellie the Elephant sitting at a dining table. On the table, there is a decorative cloth, two tall lit candles in holders, and two braided loaves of challah bread side-by-side. Ellie is smiling gently. Draw clear, bold outlines for the candles, the bread, and Ellie so they are easy for a child to colour in. Add some simple star shapes in the window behind her to show it is evening time.

Steps:

1. Label the two candles in the picture.
2. Label the two loaves of bread.
