

Nova’s Everyday Materials Word Mat

Learning objective: To identify and name a variety of everyday materials, including wood, plastic, glass, metal, water, and rock, and to describe their simple physical properties.

Key Vocabulary

Use this word mat to help Nova the Owl explore the world. Categorise materials by how they look, feel, and what they are made of.

Nova finds a shin...	Can you name on...	Why do we use g...
If you touch a tree...	Find an object in ...
