

Rosa's Weekly Spanish Adventure

Learning objective: To recall, spell, and sequence the days of the week in Spanish.

Read the front of each flashcard to practice your Spanish vocabulary. Use the clues provided by Rosa the parrot to help you memorise the order of the week. Remember, in Spanish, the days of the week are not capitalised unless they begin a sentence!

Monday	Tuesday
lunes	martes
Wednesday	Thursday
miércoles	jueves
Friday	Saturday
viernes	sábado
Sunday	If today is lunes, what is the next day?
domingo	martes
Which two days make up 'el fin de semana' (the weekend)?	Translate: 'Hoy es viernes'
sábado and domingo	Today is Friday
What is the day before miércoles?	How many days are in 'una semana'?
martes	siete (seven)
