

Rosa's Spanish Days of the Week Flashcards

Learning objective: To learn and recall the seven days of the week in Spanish, as introduced by Rosa the parrot.

Use these flashcards to practise your Spanish. Rosa suggests saying the words out loud to help you remember the pronunciation. Remember that in Spanish, the days of the week are not written with capital letters unless they start a sentence!

Monday	Tuesday
lunes	martes
Wednesday	Thursday
miércoles	jueves
Friday	Saturday
viernes	sábado
Sunday	What is the Spanish word for 'the week'?
domingo	la semana
If today is lunes, what is tomorrow in Spanish?	Which day comes after miércoles?
martes	jueves
Rosa wants to fly on viernes. What day is that?	Write the days of the week in order starting with lunes.
Friday	lunes, martes, miércoles, jueves, viernes, sábado, domingo
