Rosa's Spanish School Day

Learning objective: To identify and use common Spanish vocabulary related to school subjects and classroom items.

Rosa the parrot is visiting a Spanish school! Help her organise her school bag and timetable. Match the Spanish word from the word bank to the correct English translation or description below. Write the Spanish word on the line provided.

Word bank: el estuche · la clase de historia · el cuaderno · la educación física · el profesor · las matemáticas

1. 1. This is the subject where we study numbers and solve problems like Max the monkey likes to do: _____ (2 marks)

2. 2. This is where you keep your pens and pencils: _____ (2 marks)

3. 3. This is the lesson where Ellie the elephant learns about things that happened in the past: _____ (2 marks)

4. 4. This is the book you write your notes and work in: _____ (2 marks)

5. 5. This is the person who stands at the front of the classroom to help you learn: _____ (2 marks)

6. 6. This is the subject where you run, jump, and play sports: _____ (2 marks)

Draw: Draw your ideal Spanish classroom! Include at least three items from the word bank in your picture and label them using the Spanish names.

Extension challenge: Rosa wants to know what your favourite subject is! Write a sentence in Spanish saying what you like: 'Me gusta...' (I like...) followed by the subject name. For example: 'Me gusta la educación física.'
