

Sheet 11: Sight Words Set 1

Worked example:

Read the word and trace it: the

Answer: the

- **Read these words out loud with Pip:**

the a is in it

- **Trace the sight words:**

the a is in it

- **Circle the word 'the' every time you see it:**

the is the a the

- **Write the missing word to finish the sentence: It ____ a cup.**

is

- **Draw a line to match the word to its shape:**

a in it

Self-check: Look at the list at the top of the page and check that your written words look exactly the same.

Ready for next: When you can read and write the, a, is, in, and it without looking, you are ready to learn new words like I, to, and go!
