

Sheet 9: The 'igh' Sound

Worked example:

Read the word: l - igh - t = light.

Answer: light

• Trace these 'igh' words:

light night bright sight

• Add 'igh' to finish the words:

n___ l___ br___t s___t

• Nova the owl is looking at the stars. Read these sentences aloud:

The star is bright. It is a dark night. I see a light in the sky. What a lovely sight!

• Match the word to the picture description:

night - when it is dark bright - when the sun shines light - a lamp or torch sight - something you see

• Write the word that rhymes with 'fright':

l _ _ _ _ n _ _ _ _

Self-check: Check that your 'igh' letters are written clearly and that you can say each word out loud.

Ready for next: Once you can read and write 'igh' words, you are ready to learn the 'oa' sound.
