

Zara's Autumn Colour Hunt

Learning objective: To identify and use warm and cool colours to create an autumn-themed pattern.

Zara the Zebra loves autumn! Look at the list of colours below. Decide if each colour is a 'Warm Colour' (like the sun or fire) or a 'Cool Colour' (like the sky or water). Write the correct colour in the box for each group.

Word bank: Red · Blue · Orange · Green · Yellow · Purple

1. 1. Which colours are Warm? List three from the word bank: (3 marks)

2. 2. Which colours are Cool? List three from the word bank: (3 marks)

3. 3. Zara wants to paint an autumn leaf. Should she use warm or cool colours to make it look like it is changing for the season? (2 marks)

4. 4. If a pot of yellow paint costs £2 and a pot of red paint costs £1, how much do they cost in total? (2 marks)

Draw: In the space below, draw a large autumn leaf. Use your warm colours to colour the leaf, and use cool colours to colour the background behind it.

Extension challenge: Can you find one more colour in your pencil case that is a warm colour? Write its name here: _____
