Learning objective: To plan and describe a creative Easter art project using patterns and textures.

Hello! Zara the zebra loves patterns. Use this sheet to plan your own Easter art. Look at the word bank if you need help. Fill in each box to tell me about your design.

Word bank: pattern · bright · texture · spring · decorate · colourful · stripe · spot · soft · shiny

1. What are you going to make for your Easter art? (e.g., an egg, a card, or a basket) (2 marks)

2. Which colours will you use for your project? Why did you pick them? (2 marks)

3. What patterns will you draw on your art? (e.g., zig-zags, spots, or wavy lines) (2 marks)

4. What materials will you use? (e.g., paint, paper, glitter, or felt) (2 marks)

Extension challenge: On the back of this sheet, draw a sketch of your design. Can you add a border using a pattern you like?
