

Zara's Autumn Night Drawing Sheet

Learning objective: To use line, shape, and pattern to create an autumnal, seasonal scene.

Follow the steps below to draw a spooky, fun scene for Autumn. Use your pencil to sketch first. You can add colour later with crayons or pencils.

Draw: Draw a nighttime scene featuring a friendly, carved pumpkin sitting on the ground. Behind the pumpkin, draw a large full moon. Around the scene, draw falling autumn leaves with different patterns on them. Use bold outlines to make your shapes stand out clearly.

Label words: pumpkin · pattern · moon · leaves · spooky · silhouette

Steps:

1. Step 1: Draw a large, round pumpkin in the middle of the page. Add a zig-zag mouth and two triangle eyes. How many lines did you use for the mouth?
2. Step 2: Draw a big circle in the corner for the moon. Use a pattern of small dots around the edge to make it glow.
3. Step 3: Draw three falling leaves near the pumpkin. Can you make each leaf a different shape?
4. Step 4: Use your pencil to label your drawing using the words from the word bank.
