

E-Safety Flashcards with Kit the Fox

Learning objective: To understand how to stay safe, kind, and responsible when using the internet.

Read the front of each card. Think about the answer. Then, look at the back of the card to check if you are right. Use the word bank to help you understand the terms.

What is a secret code that keeps your accounts safe?	What is your full name, home address, or school name?
Password	Personal Information
What should you do if something online makes you feel sad or worried?	How should you treat people when you are talking online?
Tell a trusted adult	With kindness and respect
What do we call a person online that you do not know in real life?	What is the permanent trail of information you leave behind online?
A stranger	Digital footprint
What should you do if you see something mean or scary online?	Is it okay to share your password with your best friend?
Report it to an adult	No, never share passwords
What does 'privacy' mean online?	What is it called when someone is mean to you online on purpose?
Keeping your details private and safe	Cyberbullying
Who is a 'trusted adult' you can talk to about the internet?	Should you click on links that promise you free prizes?
A parent, carer, or teacher	No, they might be unsafe
