

Kit's Digital Detective E-Safety Fact-File

Learning objective: To identify the importance of keeping personal information private and recognise how to stay safe online.

Use this fact-file to help Kit the fox keep the digital world a safe place. Fill in each section using your knowledge of how to protect your identity and what to do if something online makes you feel uncomfortable or worried.

Word bank: Personal data · Privacy settings · Password · Trusted adult · Cyberbullying · Report · Block · Digital footprint

1. What is 'personal information' and why is it important to keep it private from people you don't know? (2 marks)

2. Describe the rules for creating a strong, secure password that would be difficult for others to guess. (2 marks)

3. If you see something online that makes you feel sad, scared, or uncomfortable, what are the three steps you should take? (3 marks)

4. Explain what a 'digital footprint' is and how the things you post today might affect you in the future. (2 marks)

5. Why should you only accept friend requests or messages from people you know and trust in real life? (2 marks)

Extension challenge: Design a 'Digital Safety Poster' featuring Kit the fox, explaining one golden rule of the internet that every Year 5 pupil should follow.
