

Kit's Guide to Staying Safe Online

Learning objective: To understand how to stay safe, be respectful, and protect personal information when using digital technology.

Use this writing frame to create your own E-Safety pledge. Think about the advice Kit the fox gives: always be kind, be careful with what you share, and know who to talk to if something makes you feel uncomfortable.

Using the internet is a fantastic way to learn and communicate, but it is essential that we navigate the digital world with care and responsibility.

Word bank: password · digital footprint · privacy settings · cyberbullying · trusted adult · respectful · personal information · furthermore · consequently · however

1. Introduction: Why is it important to keep your personal information private? Start with: Protecting your personal data is vital because... (2 marks)

2. Online Behaviour: How should you treat others when you are gaming or messaging? Start with: When communicating online, I will always show respect by... (2 marks)

3. Passwords: What makes a strong password and why should you never share it? Start with: A secure password should be unique, and I must never share it because... (2 marks)

4. Seeking Help: What should you do if you see something online that upsets you? Start with: If I ever feel worried or confused by something I see online, I will immediately... (2 marks)

5. Conclusion: Summarise your digital pledge in one sentence. Start with: To stay safe and happy online, I promise to... (2 marks)

Extension challenge: Design a poster that includes a 'Top Three Tips' box for younger children to help them understand how to stay safe when using a tablet or computer.
